

2016 Seattle Navy League Sponsorship/Donation Form

The Seattle Council is a 501(c)(3) not for profit organization totally dependent upon voluntary contributions of time and financial resources. We are committed to our mission of support for the Sea Services, the men and women who serve and their families. One of our major projects each year is playing a significant role with welcoming and hosting the Fleet through some major events. These events are highly popular with the Fleet and local Commands and provide a great opportunity for civilian participants to show their support for those who serve our nation. In order to put on the high quality events for which we have gained a solid reputation, it is necessary for us to secure sponsorship/donations from local organizations and individuals who wish to join with us in supporting the Sea Services in Seattle. We welcome and appreciate all levels of support. Please join with others in our community who have already committed resources to help fund these important activities. Thank you!

Yes! Please count me in! I would like to help support the Seattle Council's mission programs supporting the Sea Services including welcoming the fleet during the 2016 Seattle Fleet Week!
