### OCTOBER MONTHLY SOCIAL

**Our October monthly social will be in [Bremerton](#) on Thursday, 24 October!**

Our last social of 2019 will be across the Sound in Bremerton. All the action takes place within a few blocks of the Bremerton ferry terminal, so no need to bring a car.

*Afternoon ferry options  
from Seattle to Bremerton:*  
12:20    1:30    2:50    4:15

For those who can come earlier, on the 12:20 or 1:30 ferries, we will visit the [Puget Sound Navy Museum](#), just steps from the ferry terminal. The museum is open until 4pm, which very conveniently is when the [Toro Lounge](#) opens a couple blocks away at 315 Pacific Avenue. We will convene at the Toro starting at 4:30 for our regular monthly gathering, this time featuring members of our adopted units from the west side of the Sound.

If you are planning to make the museum visit, please drop us an email at [communications@navyleagueSeattle.org](mailto:communications@navyleagueSeattle.org) so we can expect you. Otherwise, we'll see you at the Toro Lounge!

# "FROM THE HELM"

Greetings, members and friends of Seattle Navy League!

As we wrap up this year's scheduled events with our October social and November dinner, we can take pride in a great year of supporting our Sea Services. With the addition of several new volunteers and sponsors, we were able to both serve the men and women of the Sea Services as well as bringing awareness of what they do to the Seattle community. We are already planning for a busy 2020 in support of our mission.

A few weeks ago the Puget Sound councils had the pleasure of hosting Navy League National President Bill Stevenson for his first visit to the region. We brought him up to speed on issues affecting the Sea Services in this area and heard from him about a number of initiatives that the national organization is working on to improve communications and information available to the entire membership. These new tools are designed to assist us in fulfilling our mission, and we should be hearing more about them in the coming months.

Coming up, the November dinner will mark the 244th anniversaries of the Navy and Marine Corps, and will feature recognition of outstanding Sailors and Marines from our adopted units. We should have all the details for you soon, so mark your calendars.

Meanwhile, I hope to see you in Bremerton for this month's social on 24 October, where we can enjoy a visit to the Puget Sound Navy Museum and meeting members of our adopted units from the west side of the Sound!

regards, Steve Keith  
Navy League Seattle Council President

The Navy League was founded in 1902 with a clear three-pronged mission: to support the members of the sea services and their families; to educate the American people and their elected leaders about the critical importance of sea power for their economic prosperity and national security; and to help build America's future through successful youth programs like the Naval Sea Cadet Corps.

The Seattle Navy League thanks you for your interest in the Sea Services and our council's activities.
