Planning our winter event

With the pandemic throwing off our normal schedule of events, we are now planning for a late January / early February virtual event to bring us all together. We are looking at an evening gathering of council members and guests to hear from - and interact with - guest speakers in an enjoyable online format.

Planning is in the early stages. If you'd like to help the event project committee, please contact Steve Keith at president@navyleagueSeattle.org.

Virtual Fleet Week 2020 Library

Our very successful **Virtual Fleet Week 2020** brought over 150 online events, features, videos, imagery packages, infographics, and more to the public via various social media channels, all united by the hashtag [**#FleetWeekSeattle**](#). You can find all our events and features on the Navy League Seattle [Facebook page](#) and Navy League Seattle [Instagram page](#), along with numerous other items from our partner organizations that we re-posted. All the content posted by the participating organizations can be found via the [Seafair Virtual Fleet Week page](#), which serves as the compendium for Virtual Fleet Week Seattle, and you can also search across Facebook and Instagram using the hashtag [**#FleetWeekSeattle**](#).

"FROM THE HELM"

Greetings, members and friends of Seattle Navy League!

Please join me in welcoming two new members of our board of directors: Perry Yaw and Matt ("Kaz") Kaslik, who are replacing Fred Smith and Steve Tripp.

Fred and Steve, we thank you for your enthusiastic and generous support of Seattle Navy League over the years, and commend you for finding such excellent replacements.

Perry and Matt, we appreciate your volunteering to join us and look forward to your guidance and inspiration. Welcome aboard!

As you see above, we are planning a virtual winter event to replace the lost events of our traditional schedule. Our board inspired us with ideas and suggestions, which we are now beginning to flesh out. Many organizations have developed expertise in virtual events during this strange time, which we will draw on as we plan. If you would like to assist, please contact me at president@navyleagueseattle.org.

And please join us Thursday October 29 anytime between 7 and 9pm for our next virtual monthly social. Note the new time - we are shifting to a later time in hopes that more of you are able join in.

In the meantime, please stay healthy and keep yourselves safe!

*regards, Steve Keith
Navy League Seattle Council President*

*Details of all our events and volunteer opportunities are featured on our [webpage](#) and our [Facebook](#), [Instagram](#), and [LinkedIn](#) pages.

The Navy League was founded in 1902 with a clear three-pronged mission: to support the members of the sea services and their families; to educate the American people and their elected leaders about the critical importance of sea power for their economic prosperity and national security; and to help build America's future through successful youth programs like the Naval Sea Cadet Corps.

The Seattle Navy League thanks you for your interest in the Sea Services and our council's activities.
