Planning our winter event

With the pandemic throwing off our normal annual schedule of events, we are now planning for a virtual winter event to bring us all together. We are looking at an evening gathering of council members and guests to hear from guest speakers in an enjoyable online format.

We are aiming at the week of February 22-26 for this event. If you'd like to help the event project committee, please contact Steve Keith at president@navyleagueseattle.org.

"FROM THE HELM"

Greetings, members and friends of Seattle Navy League!

I'm sure we will all be glad to see 2020 in the rear-view mirror. Looking forward to the new year, the board and officers have been focusing on supporting our mission in these pandemic-constrained times. As you see above, we are planning a virtual winter event in February to replace the lost events of our traditional schedule. This will be an opportunity to enjoy each other's company, hear updates from the Sea Services, and look ahead to the rest of the year. Tentatively mark your calendars for the week of February 22-26.

And please join us Thursday December 10 anytime between 7 and 9pm for an added extra virtual monthly social.

In the meantime, please stay healthy and keep yourselves safe!

regards, Steve Keith

The Navy League was founded in 1902 with a clear three-pronged mission: to support the members of the sea services and their families; to educate the American people and their elected leaders about the critical importance of sea power for their economic prosperity and national security; and to help build America's future through successful youth programs like the Naval Sea Cadet Corps.

The Seattle Navy League thanks you for your interest in the Sea Services and our council's activities.
