Our first social of the year took place March 21 at Kell's with these hearty souls in attendance.

Skipping April because of the annual meeting, our next social is tentatively planned for the middle of May. It will be an opportunity to socialize and to meet members of one of our adopted units. Details to follow via email.

## **Fleet Week 2024**

Ships from the **US Coast Guard**, **US Navy** and **Royal Canadian Navy** will be on the Seattle waterfront July 30 - August 4 for Fleet Week 2024, co-hosted by Navy League Seattle with [Seafair](#) and the [Port of Seattle](#).

Pier 62 will be the center of action on July 30 with the parade of ships entering Elliott Bay.

The hub of Fleet Week activity shifts to Pier 46 South (adjacent to Coast Guard Base Seattle) for the rest of the week, featuring tours of US Navy, US Coast Guard, and Royal Canadian Navy ships, along with music, displays, and information booths.

And of course, the Blue Angels will be in the skies over Seattle during the week!

It takes many volunteers to make all this happen, and **we will need your help!** Details and opportunities to volunteer will appear here in the Scuttlebutt in the months to come.

*The Navy League was founded in 1902 with a clear three-pronged mission: to support the members of the sea services and their families; to educate the American people and their elected leaders about the critical importance of sea power for their economic prosperity and national security; and to help build America's future through successful youth programs like the Naval Sea Cadet Corps.*
